Commissioner for Patents

The reply filed on 7-7-03, paper number 26, is not fully responsive to the non-responsive letter sent 5-5-03, paper number 25, because of the following omission(s) or matter(s):

- 1) The response filed 7-7-03 does not identify where support for the newly added limitations are to be found in the disclosure. See 37 CFR 1.111. Applicants states the amendment to claim 1 can be found on pg 7, lines 28-31, of applicants' copy of the specification. However, pg 7, lines 28-31, of the specification as originally filed does not support claim 1. A copy of the specification as originally filed is enclosed.
- 2) The disclosure will not amended by the examiner to update the status of the applications referenced throughout the specification as requested. Applicants have not provided page or line numbers for each application. Each paragraph citing an application should be amended by applicants using the format for amending the specification. A copy of the specification as originally filed is enclosed.

Since the above mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
